Lubbock, TX

May 25, 2019 – 8:30 am

ANNOUNCEMENT: As of the day following our 2019 finals, we will be implementing a new scoring system for the upcoming season. This system will be based off of a 70 point scale & has been created by our experienced RHAA directors.

If you interested in learning the basics of how an RHAA competition is judged and/or how you can become a certified RHAA judge, this seminar is for you. We will be covering how runs are scored and what the judges are looking for, as well as giving a thorough explanation of the RHAA rules.

The first portion of seminar is open to everyone and explains the basics and rules of competing. The second portion of the seminar will be a test for members wishing to become a certified RHAA judge. This portion will include a written and video exam which must be passed in order to be certified.

New classes and rules have been implemented to improve our organization and all judges are urged to attend this seminar to become familiar with these changes. Please feel free to contact the office with any further questions.

Contact Sandra with the Country Inn & Suites at 806-687-2500 as soon as possible for room reservations. Mention you are attending the RHAA judge's seminar to receive special room rate.
